Petrol power pack	opt.	opt.
Diesel power pack	opt.	opt.
Gradeability	25%	25%

The specification is subject to change without notice.

XT-series DINOs are strong and versatile trailer-mounted platforms.

Articulating boom with telescopic top section and proportional steering ensure stable access to the most demanding work position, even over obstacles and in confined areas.

Thanks to the articulated boom the basket can be moved 2,5 metres vertically.
